Mary's Meals The total collected at the all Masses in St Patrick's and St Thomas' was a fantastic £2,837.09! This will allow us to provide Mary's Meals to 178 children for a whole school year, which is just amazing. Thank you so much again to you and the parishioners for their generous donations and prayerful support which helps to make our work possible.

We are piloting a new idea in the church for children – play corner for toddlers! We hope this will help parents when their children become restless at Mass. They can take them to this area were they can play with toys, draw, and colour in books. Parents will be asked to stay with their child when using this area and make sure there is still prayerful atmosphere there. Thank you, our volunteers for organising this area. We hope this will help parents with children to be more relaxed while in church with their children.

Both machines in both churches are up and running now. If you can't use cash please free to use our contactless ways of support of your Parish.
